MDTCC Organisation Structure

Competition

Main Function

Promoting economic growth through the enforcement of the Competition Act 2010

There is no longer the pull factor. Its pricing is now closer to what full service carriers offer, so where is the promise that low cost fares are 30% to 40% lower than full service carriers?

— A TRAVELLER

Programs / Activities

- Establishment of the Competition Commission of Malaysia
- Implementation of the Competition Act 2010
- Competition Advocacy Program
- Competition Appeal Tribunal
